White Papers

Dear Richard:

On 03 Dec.92 Dr. Reininghaus has handed over to me 7 tobacco ingredient draft White Papers for reviewing. My remarks to the White Paper on urea and sorbitol have been sent to you recently.

Today I refer to the following "SUMMARIES OF DATA ON ...":

"POTASSIUM SORBATE", dated Aug.87,
 "CARBON DIOXIDE", dated Aug.87,
 "SUGARS", dated Oct.89,
 "CAROB BEAN GUM AND EXTRACT", dated Aug.87, and
 the "REVISED TOXICOLOGICAL EVALUATION OF SORBITOL", dated Nov.89.

I have arranged my comments in such a way that the numbers in the enclosed lists refer to those mentioned in the enclosed copies of the White Papers.

My comments on the last of the 7 White Papers, the cocoa White Paper, will be sent to you by tomorrow.

Kind regards,

Dr. R.-A. Walk
